

## The Exchange Seminar

The Exchange Seminar is an informational and motivational course that is designed to empower you to share the powerful truth of the gospel in the context of your relationships.

The seminar consists of multiple sessions over the course of 5 day including a Sunday morning sermon and Sunday School Hour. The sessions are interactive and provide multiple avenues for learning and putting into practice what is taught. Participants can expect to:

- Learn to share the gospel in a clear, compelling, relational way.
- Learn to use the four-lesson Exchange Bible study.
- Observe and participate in role-playing.
- Hear real life stories of ordinary people being used to do extraordinary things, transformed lives and modern day miracles.
- Participate in fun team activities that drive home the lessons.
- Have open time for questions and answers.
- Be challenged to take steps of faith and share the gospel.
- Leave the course feeling encouraged and equipped.

Have you ever asked any of the following questions but still don't have a good answer?

- How do I start a gospel conversation?
- How do I get past my fear of rejection?
- What do I do if I'm asked a question but don't know the answer?
- How can share Christ with others without offending or alienating people?
- What do I do if someone is not interested in talking about God?
- What if I mess up and say the wrong thing?

We will spend time answering these and many more questions during The Exchange Seminar. If you are interested in learning more, contact us at the link below.
